

## What is the PE and sport premium?

- The Premium is a sum of money given to us each year to improve pupils' participation in PE and sports. It is for pupils in Years 1 to 6. The funding is calculated as £16,000 for any school with 17 or more pupils with an additional £10 per pupil in year 1 and above. This has been increased in the current year for all schools. The current funding is £17,100 for 2017.2018.

## Why do schools receive this?

- The funding is intended to help us:
  - develop or add to PE and sports activities that we already offer
  - make improvements now that will help pupils who join the academy in the future

## How is it spent?

- Academies can choose how to spend the money for the educational benefit of the pupils of the academy
- Schools are accountable for how they spend the money and Ofsted will report on the attainment and progress of pupils who attract the premium during an inspection
- Activities may include:
  - hiring sports coaches
  - paying for training for our teachers
  - introducing new sports
  - supporting after school clubs
  - running competitions
  - Affiliation to any professional bodies or initiatives

At Dudley Infant Academy we utilise the skills of a professional sports coaching companies throughout the academic year to teach our children a large proportion of their physical education. These companies support learning and some of our PE funding is used for this provision. They are responsible for the planning and delivery of lessons as well as assessing pupil progress and attainment. They are also available support teachers with ideas for physical activities in school and to help out with key events such as sports day. They also support our extra-curricular activities by organising and delivering after school clubs here at the academy such as football and fencing.

For the 2017-2018 academic year we have joined the Hastings and Rother School Games Partnership which allows us access to locally organised competitions and bespoke staff training.

## Measuring the impact

The use of the sports premium grant is reviewed annually to measure its impact upon attainment and participation. Future expenditure is also decided in order to ensure that any initiatives or improvements can be sustained. Well planned and effective use of this funding will provide positive ongoing impact on future teaching and learning. In addition, it will improve pupils' participation in PE and sports and thus promote healthy lifestyles.

Academy: Dudley Infant Academy

Current Year: 2017-18

Total Funding received: £ 17,100

1. How we will spend the funding and why:

What will we spend it on?	Why:
External companies to teach children in curriculum time and in after school clubs.	<ul style="list-style-type: none"><li>• To provide our children with high quality teaching and coaching in physical education/activity</li><li>• To develop the core skills and values in physical activity that children can apply in all sports</li><li>• To increase participation in physical activity</li><li>• To ensure that there is measurable attainment and progress in physical education</li><li>• To provide extracurricular activity and increase participation in this area</li><li>• To promote healthy lifestyles</li></ul>
Membership of the Hastings & Rother School Games Partnership	<ul style="list-style-type: none"><li>• To increase participation in physical activity To provide extracurricular activity and increase participation in this area</li><li>• To provide children with an opportunity to participate in inter and intra school competitions</li><li>• To provide training to staff members to ensure that high quality teaching in physical activity is delivered across the academy.</li><li>• To raise pupil's attainment and progress in physical education</li></ul>
Resources	<ul style="list-style-type: none"><li>• To enhance play and physical activity during children's break times.</li><li>• To provide competitive games and activities such as sports days and active week.</li></ul>

Previous Year 2016-17

Total Funding received:	£ 8580
