ADVENTURE & INTRIGUE

NURTURING YOUNG MINDS

MORAL VALUES

SUBJECT = ART

INTENT

- To deliver a high quality education in Art, Craft and Design, which will engage and inspire our pupils to develop an appreciation for all forms of human expression and creativity.
- To embed Art across the Academy using a progressive, inclusive and engaging curriculum, in line with academy drivers and Trust Mission, Vision and Values.
- To promote the importance of individual artistic expression and freedom of imagination, thereby developing a sense of pride and self-confidence in our pupils.
- To equip pupils with the knowledge and skills to experiment, invent and create their own works of art.
- To develop an understanding of how art and design have shaped local and international history, culture and society.
- To support pupils with SEND to overcome any barriers to participating and learning and make any 'reasonable adjustments' needed

IMPLEMENTATION

- Art is delivered via AccessArt , a knowledge rich curriculum that supports the progression of artistic knowledge and skills and meets National Curriculum expectations.
- Children will have access to a range of art, craft and design tools and materials.
- Completion of creative, home learning projects in which children are inspired to make full use of the natural environment.
- Children will work with local artists in our community to enrich our art curriculum and provide opportunities to develop cultural capital opportunities for all pupils.
- The provision of Art will be monitored by the Academy Art lead.
- Individual sketch books will be used to evidence work.
- Knowledge organisers will be utilised to support and track progression of knowledge and skills across the academy.
- Opportunities for pupils to showcase their work through our participation in local Art competitions, enhanced Art days and celebration assemblies.
- Termly artists/artwork focus across the academy and shared with community - Dudley Art Gallery.

IMPACT

- Every child has developed a love and appreciation of Art, Craft and Design, and of the individual liberty and cultural enrichment which they promote.
- Children become proficient in drawing, painting, sculpture, printing and collage techniques.
- Children show pride in presenting and sharing their artistic creations.
- Children possess a knowledge and appreciation of local artists, and are inspired to continue to develop their creative potential throughout their future lives.
